

NAIL PROJECT "HOW TO LOGIN" FAST REFERENCE

Dear USER, the following few instructions are everything you need for connecting to the NAIL project web site and to start to use our system (no software installation is required).

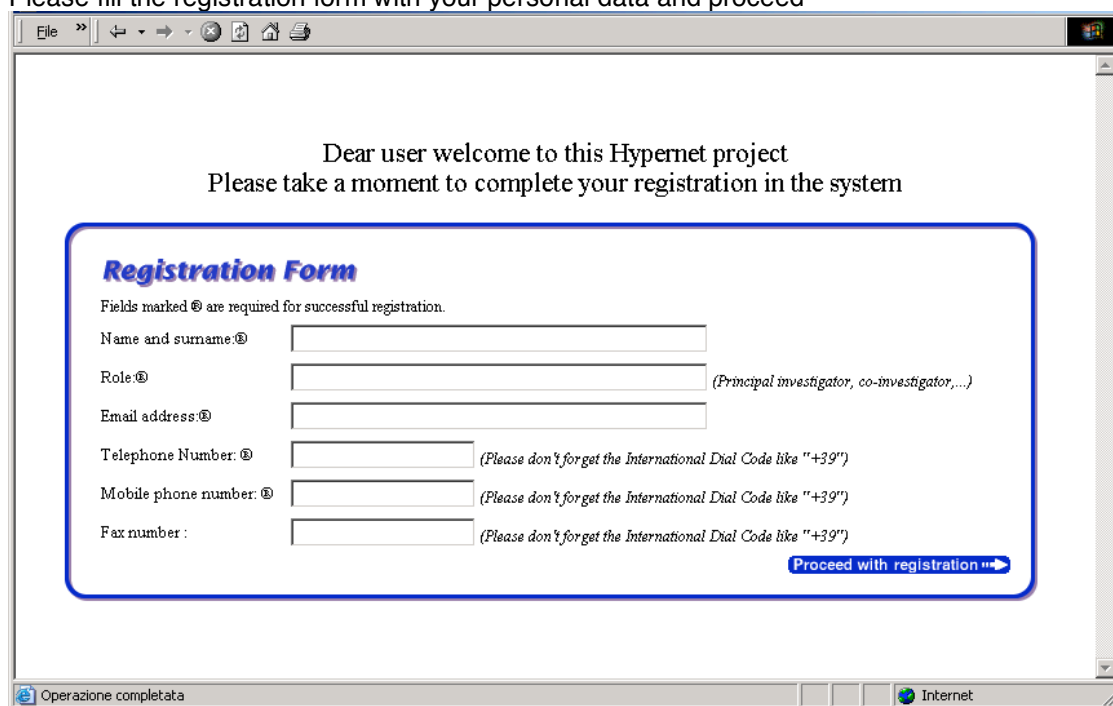

Step 1	Keep these instructions with you when connecting for the first time
Step 2	<p>Go to http://www.hyperphar.com/nail/ and click on "Click here to enter the project" link</p> 
Step 3	<p>When prompted for userID and password, please use the ones you received via email:</p> <p>userID: (as received via email) 1st connection password: (as received via email)</p> <div style="border: 1px solid black; padding: 5px; margin-left: 500px;"> <p><i>TO AVOID PASTE MISTAKES, DO NOT COPY AND PASTE FROM EMAIL BUT PLEASE TYPE DIRECTLY</i></p> </div> <p>Please be careful to type userID and password <u>exactly</u> as they appear in the email</p>
Step 4	<p>Change your own password as requested by the system.</p>  <p>Please take a note of your new password because administrators won't be able to recover it in any way if you forget or lose it</p>
